NOTICE TO ALL MEMBERS OF MAPLE LEAF ACRES MEMBERS' ASSOCIATION REGARDING COVID 19

Maple Leaf Acres Members Association takes the health and safety of all of our members seriously. The Association continues to monitor the impact of COVID 19. in our community and continue to take whatever measures that we can to assist in combatting the spread of this virus ie: cancelling all park events, closing down the pool, hot tub, showers, change rooms and sanitizing the Adult Hall and Recreational Centre.

The Association reminds all members that the Association's expectations are that members will comply with the recommendations of public health officials when it comes to COVID 19, including social distancing protocols, and in particular, when the need for social isolation arises. All members who are returning from abroad or crossing the US/Canada border should be self-isolating, staying at home and avoiding close contact with others. For reference, please see Public Health Ontario's resources for how to self-isolate. To the extent that you are self-isolating at Maple Leaf Acres, we require that you take every precaution to avoid any contact with any other Members including when outdoors.

If you are self-isolating and require any assistance, for example shopping, please contact the office and enquire if anyone is available to help you.

For continued guidance on health, safety and protocols that the government is suggesting, please go to the World Health Organization website at:

<https://www.who.int/emergencies/diseases/novel-coronavirus-2019> or the Ontario government's website: <https://www.ontario.ca/page/2019-novel-coronavirus> or the federal government's site at: <https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>

In order to move forward we would ask that all members be respectful of each other at this time.

The Board of Directors
